

# Congratulations!

**Confirms that**  
**Community Clean**

Are one of Stonehealth's Rosette Approved Contractors. This means we will refer your company for DOFF cleaning jobs whenever we are asked to provide a list of contractors in your area.

Operators should have their ID Cards with them at all times to show to site personnel if and when requested. If you do not have your ID card then you can present this certificate or ask them to confirm with Stonehealth your Rosette Status.

Exp October 2019
